## CASE WILL SOON BE IN JURY'S HANDS

End of Trial of Two Men For  
Killing Is Fast  
Approaching.

Santa Fe, N. M., Sept. 27.—It is probable that the work of examining witnesses in the case of the territory vs. Benito Chavez and Raimundo Ronquillo, charged with killing Rufus O. Tucker, will be concluded today. The territory rested its case at 3:30 yesterday afternoon and the defense immediately began its examination of witnesses.

Jose G. Griego was substituted on the regular panel of the petit jury to fill the vacancy caused by the sudden illness of Policarpo Valencia, which interrupted the trial of the case. The jury sitting in this case which was re-sworn consists of Allen Archuleta, Margarito Chavez, Bernardo Chavez, Teodoro Lopez, Encarnacion Salazar, Fidel Trujillo, Chas. Wheeler, Luis Moya, Secundino Griego, Doretto Sals, Pasquel Sals, and Jose G. Griego.

Objection to Convict. Considerable time was taken up relative to the introduction of testimony by Henry Romero, who is one of the principal witnesses for the prosecution, and is now serving a term of life imprisonment in the territorial penitentiary for murder committed in Rio Arriba county. Romero was present at the time Rufus O. Tucker was killed in this city on the night of June 10, 1906, and whom the defendants in this case are charged with having murdered. Attorney T. B. Catron, who is counsel for the defendants, objected to permitting Romero to give testimony on the ground that being a convict the latter's evidence was invalidated. He maintained that the law enacted by the recent legislature allowing convicts to testify did not affect Romero. However, the court allowed Romero to go on the stand and Mr. Catron could attack the credibility of the witness.

Romero's Testimony. Romero's examination consumed an hour. He related the circumstances connected with the tragedy which occurred at a "balle" Chavez, he said, struck Tucker a blow with his fist which knocked Tucker down and then Chavez and Ronquillo kicked the prostrate man repeatedly. Upon cross examination, witness said that the dead man was intoxicated at the time and was ejected from the balle, but returned almost immediately. Romero was called upon by the counsel for the prosecution to describe in detail the manner in which Tucker was lying when it is alleged he was kicked and beaten to death by Chavez and Ronquillo. William Tucker, a brother of the deceased, volunteered as a subject in showing to the jury the position in which his brother was lying after being knocked down.

Witness Recalled. Vicente Escudero, who had testified before Juror Valencia became sick and had to be excused, was recalled after the jury had been re-impaneled and told again what he knew of the tragedy. He was present at the dance and saw the fatal affair. He claimed to have seen Tucker knocked down and kicked. Florentina Lobato, who was examined this morning before Romero told a story which practically corroborated that of Escudero. She said she saw Chavez kicking at Tucker while the latter was lying down, but did not know if he actually kicked Tucker.

Dr. David Knapp, who held a post mortem examination over the remains of Tucker, on the witness stand this afternoon said that in his opinion Tucker's death was caused by an internal hemorrhage in the left plural cavity, which was found during the autopsy to be filled with blood. Two of the ribs on the left side, he said, were fractured and there were bruises on the body.

### WHAT THE KIDNEYS DO.

Their Unceasing Work Keeps Us Strong and Healthy.

All the blood in the body passes through the kidneys once every three minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grains of impure matter daily, when unhealthy some part of this impure matter is left in the blood. This brings on many diseases and symptoms: pain in the back, headache, nervousness, hot, dry skin, rheumatism, gout, gravel, disorders of the eyesight and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urine, etc. But if you keep the filters right you will have no trouble with your kidneys.

J. W. War, living at 718 Eleventh street, Albuquerque, N. M., says: "I had trouble off and on with my back for a long time. For two years I could not straighten after stooping without help. As long as I would remain in an erect position I experienced no difficulty of any kind but the least strain or tension brought on to the muscles of the loins, caused me to suffer severely. I tried different remedies, but no relief of any kind was obtained until about two years ago I chanced to learn of Doan's Kidney Pills, procured a box and began using them. The result was a complete and permanent cure and one which has been permanent up to the present time. I feel more than justified in vouching for the value of Doan's Kidney Pills and on unnumerable occasions I have strongly advised their use to those suffering with backache or kidney trouble."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other. \*15
